

## Exporting a list of Users assigned to a Document

You can now export a CSV files for all users who have been assigned to a specific document. On the **Documents Tab**, simply find the document you are looking for, select **View Users** from the actions, then **Export to File** to generate the CSV

### Go to Documents

1. Click "Actions" next to the document.
2. Select "View Users" and you'll be taken to a list of the users assigned to the document.
3. Select ACTIONS from the top right corner and click Export to file.
4. A pop-up will appear for you to export into CSV format.
